# EDITOR'S NOTEBOOK

Dear Archie Readers,

I know this is kind of short notice, but I just received information with a change of dates for the next Great Eastern Comic Convention. The reason is simple. There's a better chance of a snow storm in February than there is in September (we're talking New York City here).

This convention, which is being called CULTURE SHOCK '95, will be held SEPTEMBER 8-10, 1995 at the JACOB K. JAVITS CONVENTION CENTER, West 34th Street and 11th Avenue, New York City.

CULTURE SHOCK '95, promises to be "An extravaganza of Comics, Music, Movies, Games, TV and Video," a Multi-Media event that ARCHIE COMICS will definitely be part of. I'll be there along with many of your favorite Archie artists. We will have autograph signings scheduled and are eager to meet you. So if you live in or are visiting the New York area, you won't want to miss one of the biggest and best Comic Conventions ever.

COMICS UPDATE: Next month is a great opportunity to get a jump on the Holiday Season with SABRINA'S HOLIDAY SPECTACULAR #3 and ARCHIE'S CHRISTMAS STOCKING #3. Both of these are GIANT 48-PAGE issues filled with the COOLEST and FUNNIEST stories, not to mention return visits by the SUGAR PLUM FAIRY and the infamous JINGLES. Also scheduled is the AMERICANA SERIES - BEST OF THE '60's. This 96-page trade paperback makes a great gift for everyone. Look for special offers in all our books.

That's all for now!

I WOULD LOVE TO KNOW IF MY TIDBITS OF ADVICE GIVE YOU ALL FRUIT FOR THOUGHT.
Dear Cheryl
SHE IS FRUITY! SHE'LL JUST SAY ANYTHING!
FRUIT? THOUGHT? YEAH, RIGHT!

BY SARA ALGASE

**Dear Cheryl,**
I really like a boy named Brandon but he's going out with a girl named Monica, who is really popular, but nice. I know he likes me because he flirts with me and stares at me in class. The problem is I'm moving to Alaska at the end of school and I won't see him again.
**-- Lindsay, Phoenix, AZ**

***Dear Lindsay,***
*You better have some fun before you move to Alaska. It's pretty cold there, and you won't be able to prance around in a bikini. Make up a story that you have a famous boyfriend, like Christian Slater or Keanu Reeves. Make this boy so jealous, he'll want to dump his girlfriend for you. -- Cheryl*

**Dear Cheryl,**
Almost all my friends have boyfriends and I don't. What should I do? **-- Erica, Pelleston, MI**

***Dear Erica,***
*Though I've never had your problem(I've been dating since nursery school), I do feel for you. It's really not hard to get a boyfriend. You just have to polish your flirting skills. Watch some girls who get all the guys and see how they do it. Also act interested in their school achievements and smile and wink a lot. -- Cheryl*

**Dear Cheryl,**
There's this really cute and sweet guy in sixth grade. I really like him a lot. He thinks I'm too young for him, but other than that he likes me a little. What should I do? **-- Worried, Ninilchick, AK**

***Dear Worried,***
*You didn't say how old you are, but unless you are two years old, which I don't think you are, don't worry about the age thing. An older boy can be very appealing, a younger boy too for that matter, and of course, a boy the same age. Tell him he's just making excuses. He should swallow his pride and ask you out. -- Cheryl*

**Dear Cheryl,**
I have this friend who is a boy. I like him a lot. But I also have a boyfriend who likes me a lot. I can't tell my friend I like him and keep my boyfriend too. What should I do? **-- Seeking the truth, Charlotte, NC**

***Dear Seeking the truth,***
*It's a good idea to have a boyfriend, and then have a backup waiting for you, just in case you ever break up. It's like having a little "boyfriend security." Keep being friends with this boy and drop him little hints that you think he's cute. Then if you ever need a spare boyfriend, he'll be ready. -- Cheryl*

**Dear Cheryl,**
I dislike boys. They're so immature, they make me want to throw up. Once a boy liked me. He told all his friends he liked me, and he was such a nerd. I wanted to beat him up!
**-- Laleta, Honolulu, HI**

***Dear Laleta,***
*You may not like boys, but you can't stop them from liking you. At least I can't, anyway. Just get used to it. Think of all the free dinners, pretty gifts and flowers you can get out of it. -- Cheryl*

**Dear Cheryl,**
There's this boy who wants to go out with me. I always say no, but he doesn't get it. He keeps asking me out. How can I make him understand?
**-- Crystal**

***Dear Crystal,***
*One of those boys who just won't take no for an answer, huh? I've had a few of those myself. What I did was to go find myself a tall football player boyfriend. Then whenever this other guy asked me out, I called over my boyfriend and he scared the other boy away. You might try it sometime. -- Cheryl*

So there I was going to a cool party at my new school... and I didn't know anybody. I mean I was shakin' in my shoes!

I felt like I was from another planet.

Then the Cap'n of Confidence shows up with my all-time favorite— Crunchberries® cereal!

Thanks to that delicious Crunchberries blast and the help of Cap'n Crunch I was ready to party!!

AND I DID.

Made a ton of friends and we danced our brains out!

You and the Cap'n make it happen!
